**National Veteran Small Business Champion of the Year
Awarded to Rodney Hudson**

Rodney Hudson was named the 2008 National Veteran Small Business Champion of the Year by the Small Business Administration (SBA).

Small Business Champion awards are made to individuals or organizations dedicated to supporting small businesses. SBA makes Small Business Champion awards on the district, state and national level.

Rodney recognized the need for creating a support network for other Service Disabled Veteran Owned Small Business (SDVOB) owners and started the Maryland Chapter of the Elite SDVOB Network. Based nationally in San Diego, CA, the Elite SDVOB Network's primary purpose is to help SDVOBs to help themselves and to obtain an equitable share of state and federal contracts. Mr. Hudson worked tirelessly the past two years to get legislation passed in Maryland which recognizes SDVOBs.

Rodney is President and owner of QuickSilver Analytics, Inc. a Maryland-based Service Disabled Veteran Owned Small Business. Mr. Hudson was recently honored in Washington, DC during the Small Business Administration National Small Business Week which recognizes national small businesses.
